

MINISTRY OF CONSUMER AFFAIRS
MANATŪ KAIHOKOHOKO

For students

If you are a Level 3-4 Social Studies student in New Zealand, congratulations – you're already a consumer!

In your section of **ACE Consumer** you will use the knowledge and skills you learned in the classroom to follow our four friends buying clothes, at the hairdresser, buying chippies, and ordering pizza.

Go to the online activities then click on each of the characters – Aroha, Vicki, Joe and Sam – to follow their activities and answer questions. Your teacher will tell you when to begin.

Remember to print out your answers and hand them in to your teachers for your homework.
