

Reflection and evaluation

Ask the students to describe:

- ways they positively influence the market (what is bought and sold)
- ways they can take action and negatively influence the market if they are disappointed with a product.

ACE Consumer unit

Ask the students to reflect on the whole ACE Consumer unit of work and complete these questions:

Now you are an ACE consumer, how does it change your actions as a consumer?

What do you think are the attitudes and actions of an ACE consumer?
