## Scam Alert

### Second Yellow Pages scam hits.

Yellow Pages is warning customers about a second scam: this time a hoax invoice is being circulated.

Yellow advise that the scam invoice should not be paid. The invoice is being sent from YellowPage-NewZealand.com by mail in order to scam money.

See an example of the invoice [here](#) [PDF 87KB].

As before, the invoice displays a logo which looks like the real Yellow pages logo but is upside down.

Yellow is advising customers to contact its Customer Assist team on 0800 803 803 or the New Zealand Police, if they receive this invoice or have any concerns.
